

## **WHAT IS THE PRIORY NEIGHBORHOOD WATER PROTECTION ASSOCIATION?**

- We are a group of residents in Priory Neighborhood concerned about the protection of the Neighborhood's water quality.
- The purpose of the Priory Neighborhood Water Protection Association to preserve the watersheds of Taylor and Lowes Creeks within our Neighborhood.
- The Priory Neighborhood Water Protection Association is also working to promote and preserve the rural character of the Neighborhood.
- It is a goal of the Priory Neighborhood Water Protection Association to promote our neighborhood and that sense of community.

## **WHAT IS THE PRIORY NEIGHBORHOOD WATER PROTECTION ASSOCIATION DOING?**

- The Priory Neighborhood Water Protection Association is bringing together residents of the Priory Neighborhood to magnify our voices.
- We are gathering expert opinions to provide education and information to the residents of the Priory Neighborhood and the Towns of Washington and Brunswick, to ensure the protection of our water.
- We are advocating for the Protection of Our Water and the preservation of the Rural Character within the Priory Neighborhood and the Town of Washington.

## **IS THIS A HOMEOWNER'S ASSOCIATION?**

- Absolutely Not! We are dedicated to protecting the water quality and preserving the rural character of the Priory Neighborhood.
- The Priory Neighborhood Association is NOT concerned with the color of your house, your landscaping or your flags.
- We understand that part of rural living is being good neighbors who understand that "Good Fences Make Good neighbors".
